

Categorical Concurrence

State F Grade 8 Science External Reviewers

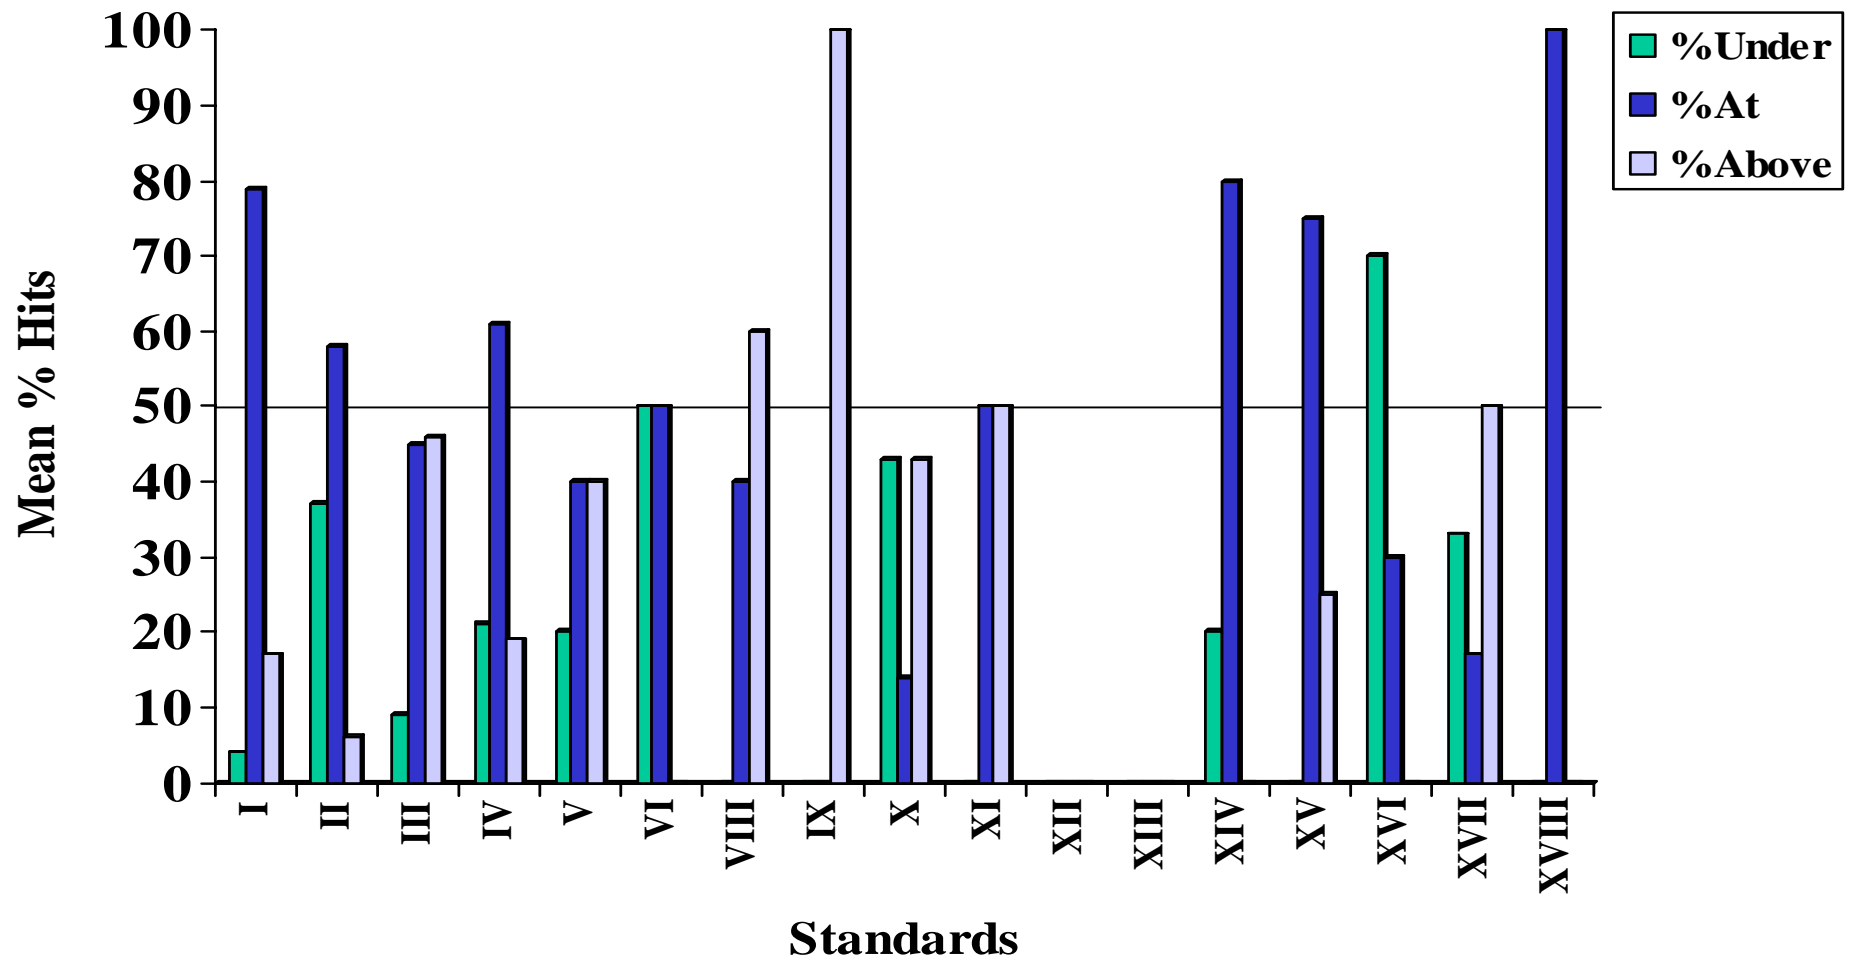

Categorical Concurrence

State F Grade 8 Science Standards

- I. Observing & Measuring
- II. Classifying
- III. Experimenting
- IV. Interpreting
- V. Communicating
- VI. Safety in the Science Classroom
- VIII. Properties & Changes of Properties in Matter
- IX. Motions & Forces
- X. Transfer of Energy
- XI. Structure & Function in Living Systems
- XII. Reproduction & Heredity
- XIII. Regulation & Behavior
- XIV. Populations & Ecosystems
- XV. Diversity & Adaptations of Organisms
- XVI. Structures of the Earth System
- XVII. Earth's History
- XVIII. Earth in the Solar System

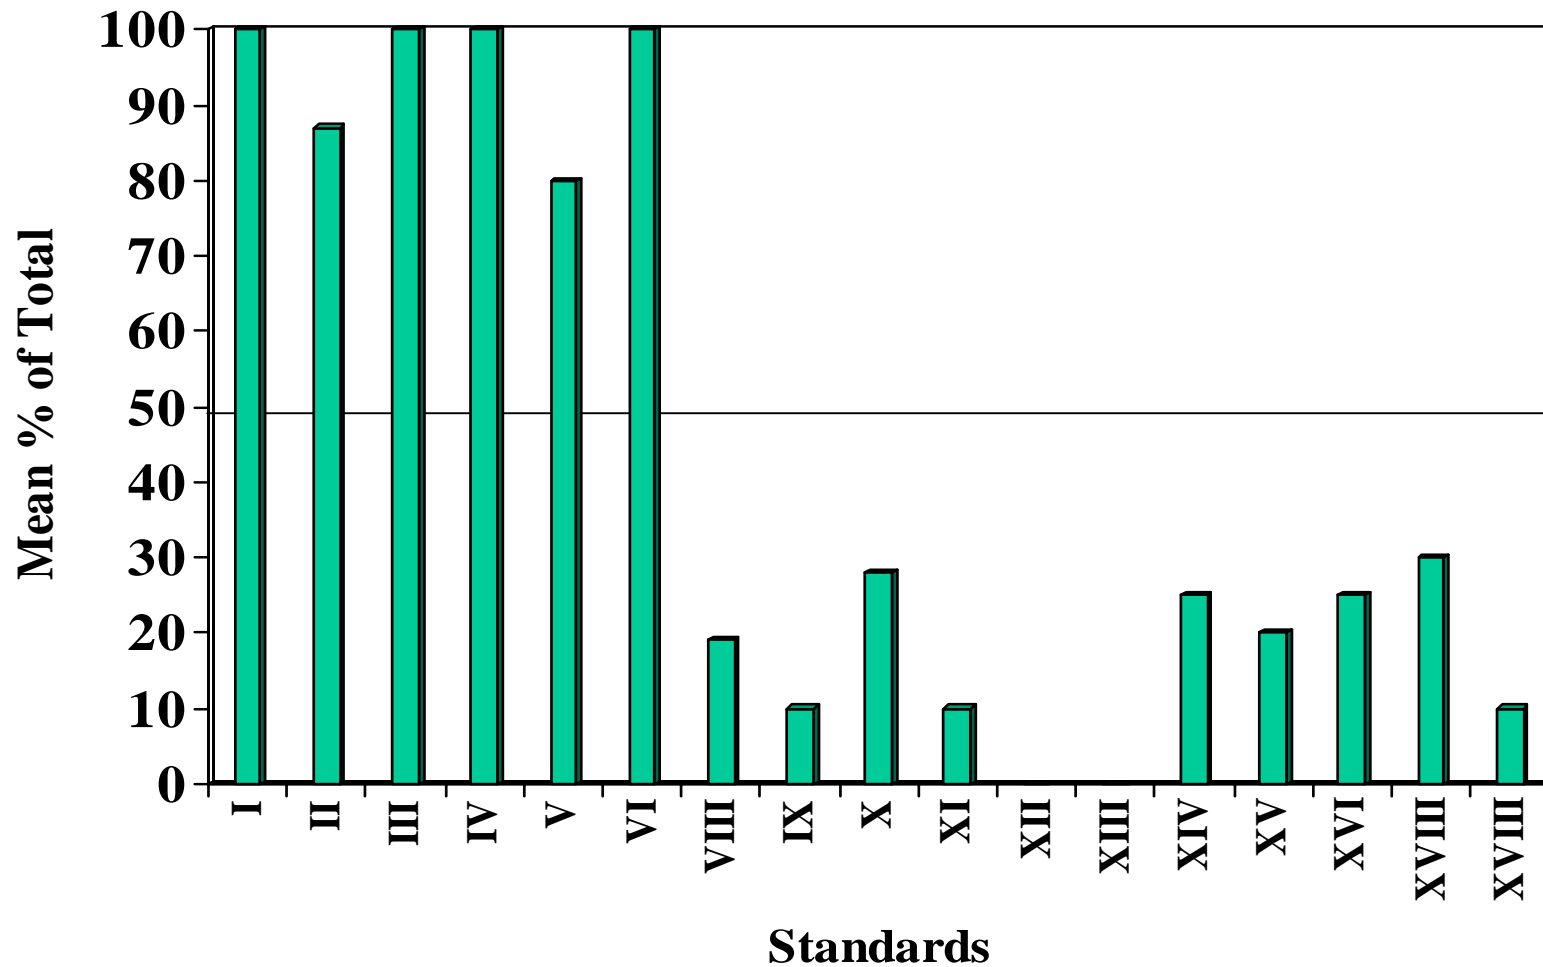

Depth-of-Knowledge Consistency

State F Grade 8 Science External Reviewers

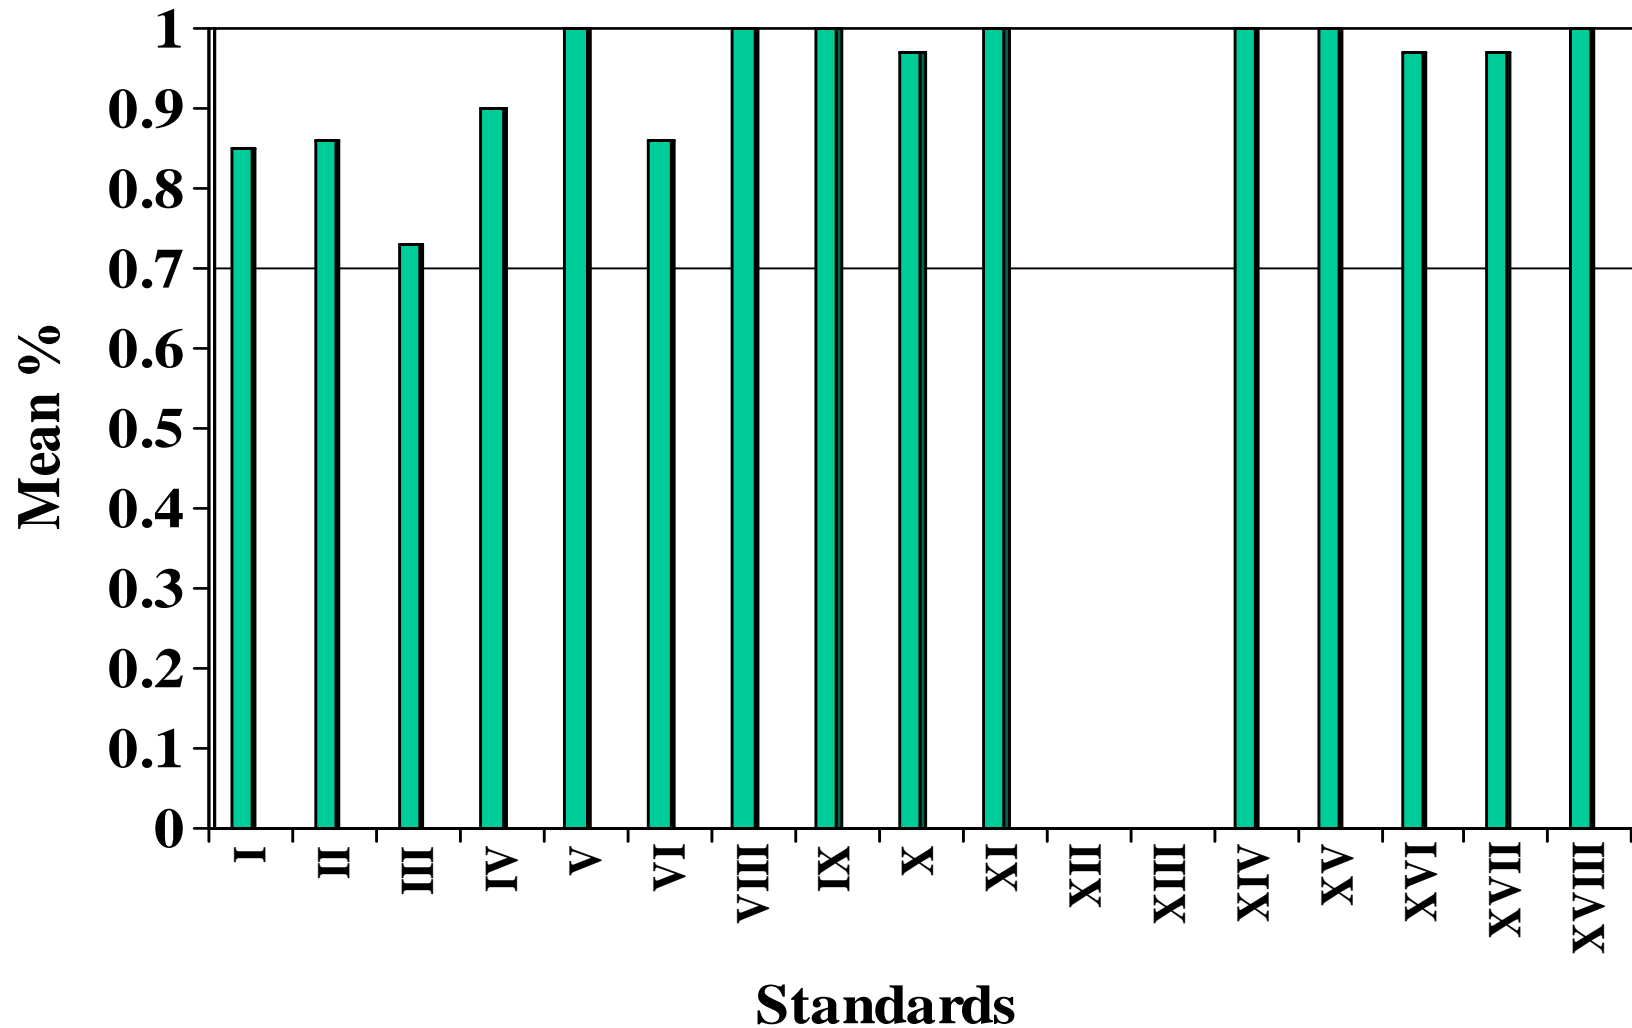

Range-of-Knowledge Correspondence

State F Grade 8 Science External Reviewers

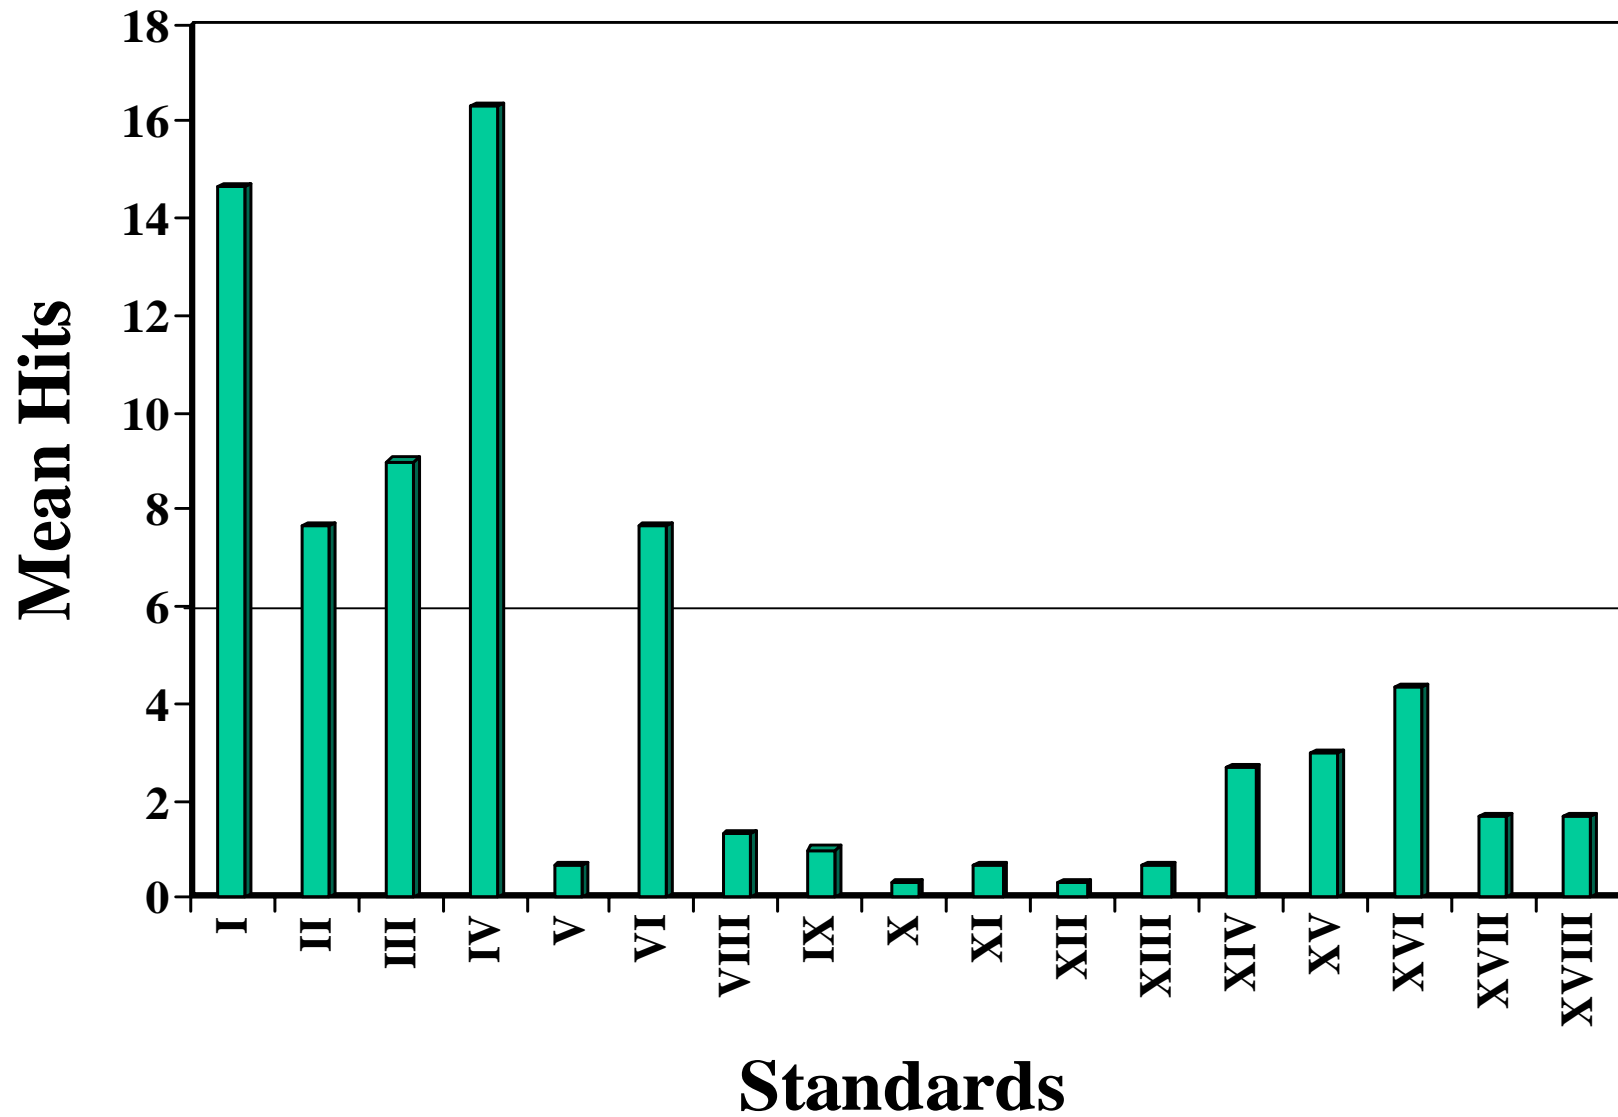

Balance of Representation Index
